# *Dedication*

We pay tribute to a person, who without her help, guidance and support, this annual would not have been possible. A person who showed patience and understanding as our annual sponsor. As a teacher, she has taught us to reach for high goals in life and to give nothing less than our best in anything we do.

It is with deep appreciation that we, the class of '66, dedicate this edition of the RAMSONIAN to Mrs. Irene B. Frazier.

## Class Song

The time is of leaving and we shall be seeing  
Our future unfolding, new places to roam.  
Our friends will be parting and we will be starting  
A new way of living that we call our own.

Whether prince, whether pauper, the things this  
school's offered  
We'll cherish like memories and friends we've  
all known.  
We are well on our way now, and to you Ramseur  
High  
With a heart full of sadness, we bid you good-by.

## Class Poem

Tears have dimmed our eyes  
And we sadly now depart.  
Remembering friends and school ties,  
We leave with an aching heart.

Oh, how we wish that we could stay  
Secure in the walls of Ramseur High,  
If just for one more precious day.  
But alas! We regretfully bid good-by.

Yes, Ramseur, today we leave,  
Tomorrow we will take a new place.  
We have so little time to grieve,  
It's the future we now must face.

No matter what the years may hold,  
If we travel far or if we stay near,  
We'll always remember Ramseur High,  
And these years we hold so dear.

# Class History

In the fall of 1954, a group of excited, but frightened, students entered the halls of Ramseur High School. In the strangeness of our new surroundings, probably few, if any, of us realized what lay before us for the next twelve years--twelve years that proved to be full of precious memories.

We quickly learned the rules and regulations and the grammar school years passed quickly. I suppose the most remembered events of those years were our trips to Chapel Hill and Raleigh.

With many experiences behind us, and the desire to accomplish something greater, we returned to Ramseur High School, with a new title--Freshmen! This was a year of adjustment for all of us. After having to put up with being called "greenhorns" and finding ourselves always at the end of the lunch line, we joyously welcomed our title of Sophomores. This year we began thinking of what lay before us after high school.

Again, three long summer months passed. As Juniors, we were rather accustomed to high school, and we found that we could walk a little taller and hold our heads a little higher. The memories of this year will never be forgotten, I'm sure. The time had come to sell magazines, a must in the Junior Class in preparing for our Junior-Senior Prom. After many weeks spent in preparation, the big event arrived. The Junior-Senior Prom was held April 23, 1965, in the high school gymnasium. The night was beautiful, the food was delicious, and the music was excellent. Our Seniors were very pleased, and we Juniors were happy that they had enjoyed a wonderful evening "In the Misty Moonlight." Soon afterward, the ring salesman arrived, and we knew the title "Senior" wasn't far away. Another dream that came true was the Daisy Chain. After many hours of picking, scratching, and tying, we produced two beautiful daisy chains through which the Seniors marched. Thus, a very exciting year came to an end.

The next year at Ramseur High School was quite different. We were glad to have the students from Randolph High School with us this year.

Reluctantly and with a feeling of sadness, we march on. "Seniors of 1966": Yes, we are Seniors. Ahead is our goal; Graduation.

We regret leaving our Alma Mater with its friendships, old and new, moments of happiness, disappointments, and loves, but there is no looking back--only to the future.

As we walk out of here, we leave behind us the wish that the forthcoming Senior class will strive to make their last year the best possible.

Our history would not be complete if we did not thank Mrs. Martha York and Mr. Charles Edwards for their helpful guidance in leading us to our goal.

To our principal, our teachers, and friends, we say a big "Thank You."

We wish to express our most sincere thanks to our parents. Without their love, patience, kindness, and understanding, we could not have attained this great step in our lives.

As we the Seniors of 1966 leave, we will always cherish the memories of twelve of the best years in our lives.

Thank You.

Class Historian  
Becky Webb

# Annual Staff

As we close the final pages of our yearbook, the Senior Class wishes to take this opportunity to thank all who made this 1966 RAMSONIAN possible.

To the merchants and other businessmen of Randolph County, we extend our thanks, for without their support the annual would not have been possible.

To the students and faculty, we express our appreciation for their cooperation and unselfish use of their time.
